

Delegate Assembly

Thursday, March 8, 2018

1:30 – 4:30 PM

The Delegate Assembly provides its participants a forum to become informed about, and address national, regional, and state issues. It is an indispensable tool for state leaders who are affiliated with CSCTFL, affording them the opportunity to engage in professional, progressive and proactive networking. Officials from ACTFL and JNCL-NCLIS will update our delegates on pertinent national incentives, programs and pending legislation that will affect all WL teachers in the region. Delegates will also meet the CSCTFL Board members, and learn about their specific roles in the organization. Finally, this dynamic session will be highlighted by a very interactive exchange in which all delegates will participate, debate, and generate informative reports to be shared with the whole body, and all significant conclusions will be published online by the end of the day. As always, a great emphasis will be placed on the role state organizations have taken, and the strategies and techniques they have utilized to accelerate and advance positive growth and change in our region.
